## COUNTY BAR EXTENDS GREETINGS TO M'NUTT

### New Jurist Pledges Citizens to Give Best in Him

### LIKES NEW ROLE

### Appreciates Vote of Confidence Given By Voters

Two men who many years ago did some amateur gardening together in the western foothills little realizing that they ever would sit side by side on the superior court bench did so Tuesday.

They were Maxwell McNutt, prominent Burlingame and San Francisco attorney, who was being paid honor by the San Mateo County Bar Association on his elevation to the bench to succeed the veteran Judge George H. Buck, and Superior Judge Franklin Swart, also a comparatively recent arrival on the bench.

Judge Swart, in being called upon by Attorney W. H. Morrissey of Redwood City to make the opening remarks of welcome to Judge McNutt, said that in district attorney conventions as far back as 20 years ago McNutt was one of two attorneys in California recognized for outstanding abilities.

"I congratulate you most sincerely," Judge Swart said to the new judge. "The people of San Mateo county are to be complimented on their selection."

**Goes to His Heart**

Judge McNutt, in reply, said in part:

This has indeed gone to my heart, and filled it with more happiness than sometimes I feel one person should deserve. It does not make me fearful; it does not make me apprehensive; but at the same time, looking upon the new year with so much good fortune, at least it gives me pause.

Judge Swart has suggested that there is something in the nature of a divinity that enshrouds judicial officers. He didn't mean it to go that far, my nature being a simple one,

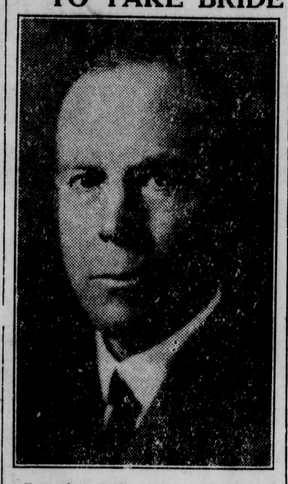
### AND NEXT HE'S TO TAKE BRIDE



Superior Judge Maxwell McNutt who was honored by the bar on taking up his duties this week, has another happy moment in store for this week. On Sunday he will take Mrs. Ella Cook Dunn of San Mateo as his bride in a ceremony at Menlo Park.

## Judge McNutt, Ella Cook Dunn To Wed Soon

Coming as a distinct surprise, the forthcoming marriage of Superior Judge Maxwell McNutt and Mrs. Ella Cook Dunn of San Mateo was revealed today.

They filed their notice of intention to wed with County Clerk Elmore B. Hinman in Redwood City last night.

It was understood the couple will probably be married in the Presbyterian church at Menlo Park at a quiet wedding this coming Sunday. Judge McNutt himself said the wedding will take place "somewhere in the county."

The newlyweds will make their home at the Casa Robles Apartments, 20 West Fourth avenue, Baywood.

The bridegroom gave his age as 58, and the bride-to-be gave hers as 32. Judge McNutt is a native of San Francisco, and his bride is a native of Waupaca, Wis. It is the third marriage for each.

Mrs. Dunn is in business at San Mateo.

The two have known each other for several years. Both are fond of horseback riding.

## Two Husbands Free Wife of Bigamy Count

DALY CITY, Jan. 5.—Mrs. Edythe Ahr, accused by her husband, Walter Ahr, 1410 Golden Gate avenue, San Francisco, a painter, of being a bigamist, was freed in Judge Ellis Johnson's court yesterday afternoon when Ahr and another husband, Charles Counsil, consented to dismissal.

The Rev. James Reid, Presbyterian minister, who married Counsil and Mrs. Ahr, failed to appear as a prosecution witness.

Ahr married Edith Sawitzke, a widow, in Reno on December 12, 1929. He says she failed to get a divorce from him before she married John Evans in San Francisco on November 27, 1930. She married Evans under the name of Julia Segren, Ahr declares.

The husband had her arrested for bigamy, but the charges were dismissed in San Francisco on her promise to have the marriage annulled, Ahr says.

Under the name of Edyth Traver, Ahr charges she married Charles W. Counsil in Daly City on April 24, this year.

Mrs. Ahr-Evans-Counsil is 25.

## Man Found Guilty In Non-Support Case

Claude Stewart, 33, Menlo Park carpenter, today awaits the report of Prohibition Officer Francis Robinson on his case after being found guilty yesterday afternoon by Superior Judge Franklin Swart on a charge of non-support.

Judge Swart set January 16 as the time to hear the officer's report.

Stewart was accused by his wife, Florence, of having failed to provide for his minor daughter, Jeanette, 7½.

## Plaintiffs Lose Damages In First Trial By McNutt

The first jury trial before Superior Judge Maxwell McNutt resulted yesterday in a verdict for the defendant, Harold W. Wheatley, in the $10,175 damage suit filed by Margit and John Ddeyer.

They sought the damages for injuries incurred February 13 when their parked car and one driven by Wheatley collided on El Camino Real, in San Mateo. Wheatley countered with a $5,645 suit.

The jury, with F. G. Kirkpatrick as foreman, gave the verdict for the defendant, but denied him damages in his counter suit.

## Judge McNutt Shows Ability on Bench

Judge McNutt called his first probate calendar yesterday. He showed familiarity with the work and made a good impression on the attorneys in court. Judge McNutt is an able man and will make a splendid judge, one in whom the people will have confidence.

## Garbage Law Aim Is Told By Rolison

### Public Co-operation Reported By City Manager

### RULES STATED

### Persons Disposing of Own Garbage Must Get Permit

That the public is co-operating with the city under the terms of the new ordinance pertaining to the collection and disposal of garbage, was the statement today of City Manager E. A. Rolison.

There are many inquiries daily at the city hall concerning the ordinance's provisions, and, to clarify the matter, the city manager authorized the following statement on the purposes of the law, which is ordinance No. 339:

"Briefly, the term garbage pertains to kitchen waste, together with all other animal or vegetable matter, and the terms rubbish and waste matter pertain to all other combustible or non-combustible waste matter.

"The fact that in the disposition of various forms of the refuse above, many have in the past been in the habit of using vacant lots or in some cases distributing the same along our streets and highways has prompted the passage of the above ordinance which after all only requires that each individual be held responsible for a proper disposition of his own refuse and does not create a nuisance to his neighbor in so doing.

"In order that the above may be accomplished at the least possible cost, and in the most expedient manner, the city has just recently provided a dumping ground located across the Bayshore highway a short distance north of the Chestnut street city water works. By obtaining a permit at the city hall, rubbish and waste matter, but not garbage, may be deposited by individuals at the above location on Tuesdays and Saturdays of each week under the supervision of an attendant. In the event satisfactory arrangements cannot be made with the refuse collector, and private hauling facilities are not available, upon application, the city will furnish a truck for a reasonable charge to render this service.

**Disposition of Garbage**

"The disposition of garbage proper, however, becomes a somewhat more difficult problem and should be handled in most cases only by the regular collector who is equipped to properly dispose of the same at the same rate that has heretofore been effective.

"Permits for individual garbage disposal will only be issued by the health officer after an inspection of the premises and upon a proper showing that the sanitary provisions of said ordinance will be strictly complied with to his satisfaction.

"As a general clean-up program involving a house to house inspection is now under way, it is hoped that those not heretofore receiving garbage service will cooperate in this undertaking by telephoning 1500 at the city hall and arranging for garbage service, the average rate for one collection per week being 50 cents monthly which will be collected by the city collector hereafter at the same time and in the same manner that water bills are collected."

## 'Forced' Vegetables Grown by R. C. Man

Fresh string beans and cucumbers in the dead of winter!

These are being furnished by San Mateo county's newest little industry—that operated by Hugh P. Gardner in San Carlos, where he has a range of eight glass houses devoted entirely to raising the indoor English forcing variety of cucumbers.

Another glass house is devoted to bush string beans. Climatic conditions in this vicinity are ideal for raising these vegetables, which are brought fresh to the market when others are not available.

The crops have been excellent, according to Max J. Leonard, county agricultural commissioner. Cucumbers have reached 20 inches in size, compared to the usual market size of 13 to 15 inches.

Gardner's forcing range is the only one on the peninsula, and Leonard reports there are only three on the Pacific coast.

Mr. Gardner's home is at 12 Lowell street, this city.

## WITT SUCCEEDS HICKEY AS COUNTY SUPERVISOR

Manuel Francis, starting his 13th year as spokesman for Half Moon Bay and the coastside area, was re-elected chairman of the San Mateo County Board of Supervisors Tuesday.

At the same time, Albert J. Witt, Colma dairyman, took his seat on the board, succeeding Thomas L. Hickey, South San Francisco supervisor, who retires after 16 years of public service.

Francis, a coastside merchant, has held the honorary chair for the past two years. The reappointment came on motion of Supervisor Rosalie M. Brown, San Mateo, and second of Supervisor John W. Poole, Redwood City.

**Paid Final Tribute**

Witt was welcomed to the board by Attorney W. H. Morrissey, of Redwood City, chairman of the board of governors of the San Mateo County Federation of Improvement Clubs and Associations, and by Allan Gould, honorary president of the Brisbane Taxpayers' League.

Attorney James T. O'Keefe, of Redwood City, paid a final tribute to Hickey, stating that he had made a good supervisor and had served the county well during his tenure.

Witt defeated Hickey for re-election in a close battle in the August primary.

The new supervisor was given many floral pieces and a large following came forward to shake his hand as the board adjourned.

**Lose Meeting Place**

Superior Judge Franklin Swart, in a communication to the board, confirmed reports that he would need the supervisorial chambers

## Dr. Osborne Succumbs In R.C., Aged 84

Following a brief illness, Dr. James Osborne, retired physician, passed away late Wednesday. He resided at 433 Lincoln avenue, and came to this city six years ago, upon retiring from active practice. He was a native of Glasgow, Scotland, and was 84 years of age.

Dr. Osborne is survived by two daughters, Mrs. Newton Holman of Los Angeles and Mrs. Ross McClure of Redwood City; and three sons, Harold Osborne of Kentfield, Reginald and Gordon Osborne of San Francisco. He was the widower of the late Hannah Osborne, and father of the late Mrs. Florence Day and Wallace Osborne.

Private funeral services, which will be conducted by the Rev. Edwin Castledine, pastor of St. Peter's Episcopal Church, will be held tomorrow at the Layng and Tinney Funeral Home.

**TWO HURT IN CRASH**

BURLINGAME, Jan. 2.—Two Sunnyvale men were injured Saturday when their car was crowded off the Bayshore highway, and overturned. The men were Joseph F. Nicholsen, who was driving, and Albert Blesdoe. Nicholsen suffered a broken foot and cuts, and Blesdoe incurred cuts and bruises.

## Boy Crushed By Truck In S. M. Mishap

SAN MATEO, Jan. 5.—Thomas Croop, 17, son of Mr. and Mrs. William T. Croop, 214 Hobart avenue, is in a critical condition at the Mills hospital here today as a result of a freak accident in which he incurred a skull fracture and crushed chest.

Young Croop was riding on a dump truck when the carriage became released, and a rear wheel of the truck passed over the boy's chest and arm.

The truck was being operated by Donald Silva, 18, of 210 Humboldt avenue, who was assisting Croop in moving dirt from an excavation at the Francis Meyer place at 9 Twelfth avenue. The accident took place on Nineteenth avenue near the Bayshore highway.

## Alfred Twombley Is Reported Near Death

Alfred Twombley, of Fuller street, is reported to be very ill and his passing is expected shortly. Mr. Twombley is now past 90 years. Mrs. Alice Cook, who is secretary to Attorney James T. O'Keefe, was called from the offices yesterday to be at her father's bedside. Mr. Twombley is one of the city's pioneers.

## Menlo Park

The choir of St. Agnes' Church, San Francisco, is coming to Corpus Christi Monastery on Sunday, January 8, to sing Christmas carols. After the singing the Benediction of the Blessed Sacrament will follow. The public is invited to hear a program of excellent music. The choir comes here annually to render music to a crowded chapel.

There is a break in the family of Mr. and Mrs. C. T. Maloney, Pine street. Miss Catherine Maloney has gone to San Francisco to become a professional nurse in one of the hospitals there. John Maloney, the eldest son, goes to Los Angeles to start his career as a cartoonist on the Los Angeles Herald. Young Maloney is gifted in his line and is certain to be successful. He may become as famous as Opper, the world renowned cartoonist.

Miss Carmel O'Keefe has returned to the San Francisco College for Women after a vacation of three weeks.

St. Joseph Parochial School resumed studies on Tuesday with a huge enrollment.

Skidding on the west pavement when the driver attempted to slow down on the highway near Almendral avenue, the automobile of Miss Eleanor Nolan of Hollister crashed into a tree at the edge of the road at about 9:30 o'clock Monday morning. Miss Nolan was unhurt.

The car is owned by San Benito county.

Mr. McCarthy, the grocer, is moving his large stock to the Doyle building from his present quarters.

Councilman E. J. Crane has recovered from a recent spell of illness and is able to return to his work in San Francisco.

The last will and testament of William Haines, who passed away last month, was admitted to probate in the superior court at Redwood City. F. W. Meyer was appointed executor. The value of the estate, consisting of insurance policies was placed at $500. James T. O'Keefe is the attorney for the executor.

The rainfall for the season is 3.09 inches as against 9.70 inches at this time last year. There was a precipation during 13 days of December, 1931. In one storm 1.72 inches fell while in another the precipitation was 1.48 inches. The greater part of the rainfall that year came in December. The farmers are must alarmed over the shortage.

Robins are still conspicous by their absence in this community, although there are an abundance of berries. The Toyon crop is the heaviest in years. Usually at this time of the year there are a great number of the birds here to devour the berries. Old timers believe that the absence of the robin is a bad omen for a dry season.

Two jobless men are being employed to canvass the entire Menlo Park district, explain the need for the emergency funds and secure contribution pledges. These men will not collect any money, according to Fire Chief Thomas Cuff, who is directing the campaign. The actual money contributions may be made to Earl Hook, relief committee treasurer, or collected by the water company with the monthly water bills.

The decision to inaugurate a campaign for additional funds was made at a recent meeting of the relief committee in order to provide assistance to persons who are unable to work or are ineligible for county work under the $350,000 bond issue and to supplement the work of the other relief agencies.

Miss Max Leona Anderson will give a buffet supper at her Menlo Park home the evening of the 14th, going later to the Spinsters' Black and White Ball at the Burlingame Country Club. Mr. and Mrs. Thomas Gordon Greene are to entertain at San Mateo before the dance, which is an annual event given by the Spinsters' Club of San Francisco.

## Morrish Will Head Chamber In Year 1933

### Howard Wood Again To Be Manager Of Chamber

### PLANS MAPPED

### Quarterly Meetings With Service Club Members Proposed

Election of J. E. Morrish, manager of the local branch of the Bank of America, as president of the Redwood City Chamber of Commerce, was a feature of last Commerce, was a feature of Tuesday's meeting of the new board of directors.

Howard I. Wood was retained as secretary-manager. Other officers will be: Clifton Woodhams, vice president, and Edward T. Harrison, treasurer.

The directors are Morrish, Elmore Hinman, Carl Stoner, Carl Beeger, Woodhams, Kendall Towne, Dr. W. B. Langston, Sam H. Winklebleck and W. O. Tyson.

Directors, forming teams of three, will visit all business men in the city to renew acquaintanceships and increase interest in the work of the chamber of commerce.

It is planned to devote 1933 largely to promoting trade in Redwood City, through the retailers' division of the chamber.

Another proposal is to hold quarterly meetings, with the four service clubs, similar to the successful one which was held recently.

The directors will meet regularly on the first Monday of each month, at 7 o'clock.

## Grand Jurors Give Attention To Juveniles

What is the cost of juvenile delinquency in San Mateo county, and what are its causes and cures?

These were the questions which engaged the attention of the San Mateo County Grand Jury today as it entered into the last two weeks of the yearly inquisition.

There was evidence from the records being gone into, that this will be well touched upon by the jury in its annual report.

The jury is interested in the homes in which orphans are being placed, and with the treatment the youngsters are receiving, and also with the question of what this is costing the county every year.

The jurors are also thoroughly investigating the juvenile home, it is understood, and the report is expected to again refer to the institution as a "firetrap" which ought to be replaced.

## Liquor Found In Auto of Man Held For Recklessness

Olaf Hedblom, 63, Millbrae laborer, was booked by Redwood City police Sunday evening on charges of reckless driving and illegal possession of liquor after his erratic operation of a motor vehicle attracted the attention of Redwood City officers.

Hedblom posted $50 cash bail.

Officers Henry Mengel and W. H. Thorpe were investigating a minor accident involving two other cars when Hedblom came along. He was found to have a bottle of whisky in his possession.

DALY CITY., Jan. 5.—Arthur L. Hilton, veteran Daly City police officer, yesterday was appointed fire chief of this city by the board of fire commissioners.

## NATION MOURNS COOLIDGE

### Sudden Death Comes as Shock

The sudden death of Ex-President Calvin Coolidge yesterday will be mourned by millions of his countryman who knew him as a great president and a splendid citizen. The country was shocked when the news was broadcast, for it was thought that the ex-president was in the enjoyment of excellent health. Coolidge was beloved for his frankness and honesty. His record as president will go down in history as one of the best in the long line of presidents. His administration was conservative, popular and free from scandal of any kind. Coolidge was beloved by all and admired by the citizens of both major parties.

## JUDGE BUCK RETIRES

### Long and Useful Career Ends

Judge George H. Buck is happy in his retirement. He may look back on his long career on the bench with satisfaction, knowing he has always had the confidence of the people of San Mateo County. A local paper pays the following tribute to Judge Buck. It could not be improved upon:

Today's must have been a strange dawning for the Hon. George H. Buck, judge-emeritus of the superior court of San Mateo county. The day broke; and for the first time in half a century the realization came to him that he would not need to bestir himself. We hope that Judge Buck cast himself back into the pillows and enjoyed the moment to the fullest. Here he was for the first time in 50 years a free man once more; free from the call of public duty which he has answered so faithfully so long.

Judge Buck retires from the bench happily in the best of health. Only a week away from 86, he is still the possessor of a virile mind; his eyes are clear; his step still brisk. There is ahead—though in other channels—the same opportunity for quiet, generous and effective service; and behind, a record of prolonged public service which will place his name among the greatest trial judges of all time.

The San Mateo county bar has written its tribute into the minutes of the court where time can never efface it. To that should be added the silent expression of appreciation and gratitude from the citizenry at large. The hope of Judge Buck's thousands of friends is that the years to come will find him enjoying those things he forebade himself in so diligent an application to the public welfare.

## TAXES TO BE SLASHED

### Rolph Reforms Promise Help

Governor Rolph has the hearty approval of the people of California in the many reforms in taxation suggested by him over his radio speech on Tuesday evening. The taxpayer wants a reduction in his taxes and some drastic measures must be taken to accomplish this. The governor went to the bottom of state affairs, showing how the money was expended and advocated many changes in the bureaus in order to reduce expenses of government. His suggestion that a portion of the gas tax be used to help pay off the state's bonded indebtedness is a good one and should find favor with every taxpayer.

# Local Relief Committee to Drop Food Program, Rely On County Social Service Help

Acting in part upon the suggestion of the county unemployment committee, the Redwood City unemployment relief committee yesterday voted unanimously to abandon the local food relief program, and to rely upon the promise of the county social service to make adequate distributions to all in the district who are legal residents, and who are properly investigated, and found to be in need.

The action taken Tuesday was the end of several weeks of laboring with the county committee to secure an appropriation of $5,000 from the relief bond issue for use in making distributions of food in the Redwood City district.

**Duplications Found**

The county committee, after extended study of the question, refused to make the appropriation on the grounds that the county social service made the flat assertion that it never refused food to anyone on the first application, and to none thereafter providing applicants were found in need and legal residents of the county.

Investigation by T. J. Hallinan, chairman of the food committee, developed the fact that practically all who were being suppied with food through the local food depot, were likewise receiving weekly orders from the social service. It developed that about 300 families in the Redwood City district are being helped regularly or periodically by food orders from the social service.

**Continue Tribune Boxes**

The county committee had advised very urgently that the local committee rely upon the social service to meet the food problem locally, at least to a very large extent. The local committee felt that it was impossible to rely partly upon the social service, and partly upon a voluntary plan, and therefore decided to entirely disband the food distributions, and look to the social service to handle the entire food problem in this district, with the exception of the bread distribution, which is already financed through Red Cross co-operation, and The Tribune "Give-a-Can-if-You-Can" service, which will be used for underprivileged child work.

All other divisions of the work of the local unemployment committee will be continued, including the registration of the unemployed, investigation, allocation of work, emergency cases, and clothing relief.

## Bill to Restrict Dog Racing to Be Offered by Crist

Among the first bills to be introduced into the 1933 legislature will be one designed to stop dog racing, Assemblyman Frank Lee Crist of Palo Alto announced today. This will strike at the Belmont and Baden tracks in San Mateo county, and the new $150,000 track announced by the San Mateo Greyhound Breeders' Association for the new town of Bayshore.

Crist's bill will stop dog racing at night and will provide for prohibitive license fees, which, he believes, will put the tracks out of business.

The Palo Alto assemblyman wants to put the dog tracks out of business because of complaints from residents of San Mateo and Santa Clara counties, he said.

"Already complaints have been made of men gambling away their last dollar on these races, while their families go hungry," Crist said. "Dog racing, as it is conducted in California," he added, "is nothing but ordinary gambling and the optional plan of betting is plain subterfuge."

## Thief Enters Home; $400 In Jewelry Taken

The home of Mrs. Alice J. McCarthy, pioneer resident of East Palo Alto, was entered over the week-end and jewelry valued at $400 was stolen, Deputy Sheriff John T. Simpkin of Sheriff James J. McGrath's office was notified today. Her home is at the corner of Bay road and Clarke drive, East Palo Alto.

The jewelry was in a dresser drawer in her bedroom. Nothing else in the house was disturbed.

## Koff Defendant In More Cases Over Lot Sales

Sol Koff, former San Carlos realtor, was named defendant in a series of suits on file today in the superior court at Martinez by which cancellation of contracts for purchase of lots and recovery of $3844 are asked by seven clients.

Herman Weiss and Herman Yaffe, Koff's associates, are also named defendants.

Koff and his associates were convicted of grand larceny and sent to San Quentin. The property covered by the contracts is in Richmond and was sold to the purchasers on the understanding that they expend $500 each for improvements. This was done but the company never carried out its part of the agreement. The clients say the contracts are still in force.

Similar suits were filed in Redwood City and Oakland.

## Divorced Man Held In Non-Support Case

While his wife was securing her final decree of divorce, Albert Brown, 26, farm hand, was brought here from Lakeport, Lake county, to answer to a charge of non-support.

The wife, Mrs. Esther Brown, of South San Francisco, secured the final decree Saturday from Superior Judge George H. Buck.

Brown was brought here Friday from Lakeport by Undersheriff Lawrence Nieri, and will appear in court for preliminary hearing before Justice of the Peace Edward Farrell in South San Francisco, January 7.

The complaint was sworn to by Mrs. Brown on May 26, but her husband has just been located. Attorney J. W. Coleberd, representing the wife, said Brown had deserted his small daughter, Alene, now six.

Judge Buck gave Mrs. Brown custody of the child.

## Husband Had Wife, No. 2 Says In Court

Annulment of her marriage to George Richards was asked today by Helen Rohl Richards in a complaint filed with County Clerk Elmore B. Hinman. They were married in Carson City, Nev., November 12, but separated the following day when she found that he had another wife, the plaintiff avers.

Richards' other wife is Myrtle Bez Richards, she asserts. Norman S. Menifee is counsel for the plaintiff.

American transport planes are now flying on an average of 150,000 miles a day.

# Bayshore to Get Initial Development

### Permit Granted for Oil Station By City Council

### OTHER BUSINESS

### Quarterly Payment of Taxes Receives Support

First commercial development of the Bayshore highway stretch in Redwood City since its opening is to be started at once.

The Associated Oil Company revealed plans to the city council Monday for an oil station at the northwest corner of Bayshore boulevard and Middlefield road—three blocks east of the courthouse. E. J. Willits appeared before the council to request the permit, which is for a steel structure.

Willits said the station and equipment will represent an investment of $8000. Work is to start immediately. Because of the fill necessary, he said the council's desire for a building of masonry construction could not be met.

The permit was granted by the council on motion of Councilman Charles Hildebrant, seconded by Councilman Charles McNulty.

**Urge Quarterly Taxes**

Backing up a Tribune editorial that the quarterly payment of taxes is a sensible plan, the councilmen determined to ask the League of California Municipalities to sponsor such a bill in the legislature.

The matter was brought to the council's attention by Councilman Robert Jones, who expressed a belief that if the payments were made smaller, fewer delinquencies would result.

Both Mayor William Dusel and Councilman Paul McCarthy expressed accord with the plan.

Jones and McCarthy moved and seconded that steps be taken to put the plan in effect.

**Discuss 1915 Bonds**

Because the city hasn't the money, the councilmen instructed City Treasurer B. E. Myers not to pay the interest on the 1915 bonds which have been defaulted.

Current interest on the bonds which have not yet matured is to be met, and defaulted bonds are to be paid off as the money on these is received.

The city is awaiting the outcome of the Lakeport case to determine its future course in regard to these defaulted bonds.

**Ordinances Indexed**

City Attorney Albert Mansfield presented an index to the city ordinances, which will be a guide to the city in knowing which ordinances are in force and which have been repealed.

The index represent considerable work, and the city attorney was commended for his efforts.

Over 450 ordinances were found to have been passed by the city, and these were indexed three ways: (1) the live and usable ones; (2) repealed ordinances, and (3) obsolete ordinances which cannot be repealed.

Compilation of these ordinances in a manner to make them easily accessible to the tax collector, police and others is to be undertaken next.

**Oppose Federal Tax**

The councilmen went on record as opposed to any tax by the federal government on states, state agencies or publicly-owned utilities.

The board, on motion of Councilman McCarthy, seconded by Councilman Hildebrant, urged the League of California Municipalities to fight any such proposed taxes.

City Manager Ernest Rolison urged the council to pass a resolution presented by the league, which it did.

**To Open Hudson**

City Engineer Charles Dimmitt reported the Hudson street bridge concrete poured, and said that the structure will be open in several weeks.

Councilman Jones asked the city to use the $1400 remaining from the $4000 Hudson street fund to grade and rock the street so that it can be opened to travel.

Engineer Dimmitt was asked to estimate the cost of doing this work.

**Other Brief Items**

The council put down for its first business in April the consideration of an electric sign at Main street and Bayshore highway.

Permission was granted for the big tabernacle on Brewster avenue to remain there until January 15.

The Southern Pacific will be asked to keep up its gardens at the depot, and to clear away debris on its property facing El Camino Real near Maple street.

Repairs to broken sidewalks at the corner of Clinton street and Brewster avenue and elsewhere in the city, were ordered.

# Legislature Awaits Copy Of Charter

Anxiety was expressed over long distance telephone from the capital Wednesday by Frederick Peterson, San Mateo county's new assemblyman, over the failure of a certified copy of the proposed San Mateo county charter to arrive in the mails.

Peterson informed County Clerk Elmore B. Hinman that all such documents are now in the hands of the proper legislative committee.

The San Mateo County Charter Study Committee, which has handled all of the steps in the formation of the charter, has failed to get a copy of the document to Mr. Hinman, who will speed it to Sacramento as soon as it is obtained.

Attorney J. W. Coleberd, one of the attorneys who helped write the legal phraseology, says that a delay of one or two days will do no harm.

New Year's Eve was made the occasion for celebrating the coming of 1933 and the birthday anniversary of one of the guests at a party given Saturday evening by Mr. and Mrs. C. S. Padgett at their home at 18 Clinton street.

At the stroke of twelve the affair became a birthday event honoring Douglas B. Lampkin.

## Firemen Hosts To Large Crowd New Year's Eve

The Redwood City Fire Department entertained approximately 200 guests at a New Year's Eve dancing party in the firehouse auditorium on Middlefield road Saturday night.

It was necessary for the firemen to erect a temporary extension to accommodate the crowd in the apparatus room, where a midnight supper was served.

Mrs. A. Prusch, wife of Capt. "Tony" Prusch of the department, sang several songs, adding to the entertainment of the evening.

Fire Chief Mark Ryan and a committee were in charge of the event.

# Role of Cupid Less of Task Than Year Ago

Playing the role of cupid proved less of a task for County Clerk Elmore B. Hinman in 1932 than was the case in 1931. There were but 773 couples who obtained licenses at the marriage bureau as compared to 947 a year ago. This is a drop of 174.

As was the case last year, quite a few more couples applied for licenses than got them. This year 938 notices of intention to wed were filed, but 165 couples did not come back. Last year the number who failed to show was 187.

There were 1485 lawsuits filed this year compared to 1538 a year ago.

## Fire Losses Decline In S.S.F., Chief Says

SOUTH SAN FRANCISCO, Jan. 3.—Fire prevention pays dividends in South San Francisco, according to figures revealed in the annual report of Fire Chief A. J. Welte before the city council here last night.

Total fire losses in this city for 1932 were $3,285, as compared with $11,229 in 1931 and $39,000 in 1930.

The per capita average loss to South San Francisco residents during the past year was 53 cents, as compared to the national per capita amount of approximately $4.

## Vallejo Fire Victim Uncle of R.C. Woman

## Callicotte Fails To Appear Here At Mooney Rally

With the failure of Paul M. Callicotte to appear before an audience at Foresters' Hall, Wednesday, Callicotte's story of having unintentionally placed the Preparedness Day bomb in San Francisco in 1916 and the effect of his confession upon the cases of Thomas Mooney and George K. Billings, now serving prison sentences for the crime, were told by Sam Goodwin of the Mooney Molders' Defense Committee.

The meeting, held under the auspices of the "Free Tom Mooney Committee" of San Mateo county, was opened by James Delaney, local chairman. W. T. Brown of Menlo Park presided.

Goodwin explained that Callicotte had been called back to Portland yesterday afternoon because of illness in his family.

Emma Cutler, another speaker at the meeting, urged support of a movement to repeal the criminal syndicalism law in California.

It was announced that the San Francisco delegation of state hunger marchers would be joined by the Redwood City delegation here at 11:30 Saturday morning en route to San Jose, Stockton and Sacramento, where a request for aid will be presented to the legislature.

Communist literature was distributed at the meeting. Twelve dollars and nineteen cents in cash was contributed toward the Mooney defense fund.

## January 15 Last Date to Obtain New Auto Plates

SACRAMENTO, Jan. 4.—Motor vehicle owners who are now receiving their new 1933 license plates were today advised by the department of motor vehicles that the law requires that all plates be maintained free from dirt, grease and other foreign materials and in a condition to be clearly visible.

Plates must be fastened securely to the vehicle so as to prevent them from swinging and must not be placed behind spare tires or any other obstruction that would prevent the numbers from being read.

The law requires that plates be fastened at a minimum of 16 inches from the ground.

The certificate of registration must be kept in plain sight in the driver's compartment of the car at all times. Upon receipt of his certificate the owner is required to write his signature thereon with pen and ink in the space provided.

New license plates may now be secured by applying at any branch of the department of motor vehicles, any branch of the authorized motor clubs or by applying direct by mail to the main office of the department in Sacramento. It is illegal to operate a car after January 15 unless the owner has applied for new plates.

## Belmont Sees Night Patrol Need On Blv'd

BELMONT, Jan. 5.—Need of a night traffic patrol on Ralston boulevard was acknowledged by the city council at its meeting here last night in taking under advisement the suggestion of Councilman L. C. Vannier to curb speeders.

The council agreed a night police officer is needed and will consider means of financing one.

At the request of Fire Chief William Neilson for inspection of fireplaces in houses of the community as a fire prevention step, the council referred to the fire commissioners the matter of appointing an inspector.

W. W. Hendricks of the city engineer's office reported on improvement work done in Belle Monti, and the report of Police Chief Fred Johnson Jr. was ordered filed.

hereafter on Mondays and that the board must find some other place to meet.

Judge Swart said that the law and motion day had been advanced from Thursdays to Mondays to give the courts an uninterrupted week. The court also stated that in view of the hiring of a second court reporter an office must be furnished for him. Judge Swart indicated that he will need all of the space of the present law library.

Supervisor Poole urged that the board consult with Judge Swart and District Attorney Edmund Scott and said that he believed a solution could be found for the problem. Meanwhile, Supervisor Poole said, Mayor William J. Dusel of Redwood City has offered the supervisors the firehouse auditorium for meeting purposes.

**Must Protect Workers**

Following further consultation with R. E. Hoppe, special agent for the State Compensation Insurance Fund, Purchasing Agent Ernest Werder and District Attorney Scott, the board decided to take out state insurance to protect the workmen employed on county relief projects.

The $14,000 premium, which the board hoped to escape, is to be paid out of the $350,000 relief bond fund.

The San Bruno Voters' League protested the hiring of aliens on county projects, and the unemployed council of San Mateo county, directed by Communistic leaders, protested against discrimination allegedly shown foreigners and council "workers" in the Redwood City employment office.

The board agreed that it cannot do anything but apply the law as it finds it, and as the hiring of aliens is forbidden on public work, this will be the board's course, Supervisor Hickey and Poole determined.

**Granted Brief Leave**

Illness of Miss Florence Kreiss resulted today in the board granting her a leave of absence until January 15.

The board selected the San Mateo Times as the official publication of San Mateo county for the next two years. The Tribune is just completing its two-year contract with the county. The Times was named on motion of Supervisor Brown, seconded by Supervisor C. V. Thompson, Burlingame.

The board was informed that Horace Amphlett, publisher of the Times, had not made an overcharge of $350 in the publishing of the charter, as alleged in a letter from S. A. Keyston, chairman of the supervisors and publications committee of the San Mateo County Grand Jury.

# COUNTY BAR

(Continued From Page One)

and simplicity being its keynote.

I have no fears whatever, from any familiarity that may have existed, and that may always continue to exist, between and among me and my friends, because there is only one thing after all in this life, and that is friendship, and my own definition of it is that it is the sunshine of the winter of the human heart; and if that winter ever comes, there is nothing that will dispel its gloom but friendship, and that friendship I shall always keep.

I am delighted to be here. I know the bar of San Mateo county, and I know that they feel proud of their county, and proud of the results that it achieves, and it will be due to them, really, more than to the bench, that any success may be accomplished.

Now so far as rule is concerned, we are going to have a thoroughly harmonious and efficient disposition of justice. Everything in my power will be done in a spirit of true devotion to the interests of San Mateo county. They (the voters) have done so much in point of honor for me, that they have set a mark that perhaps I can not achieve; but at all events I shall endeavor to measure up to it.

. . . You citizens of San Mateo county will always have the very best that there is in me.

**Other Speakers Listed**

Others who spoke a welcome to Judge McNutt included Col. Charles N. Kirkbride and Attorney John W. Coleberd, who, with Morrissey, made up the bar committee; District Attorney Edmund Scott, Attorney Hall C. Ross, Attorney James T. O'Keefe, Mayor A. R. Cotton of San Mateo, and Vice-President Gilbert Ferrell of the bar. Joseph J. Bullock, Redwood City attorney, and president of the bar, was unable to be present because of illness. Attorney Bullock likewise was prevented from attending Judge Buck's farewell greeting.

Attorneys and friends packed the tiny courtroom as Judge McNutt took over his duties. Floral pieces came from various individuals and organizations and were banked about the bench.

**New Reporter Named**

Sidney Hotchner, new reporter for Judge McNutt's court, reported the proceedings. Hotchner is a district commander of the Seventh District, American Legion, San Francisco, and a member of the 40 and 8. He covered the Egan and Lauterbach trials in San Francisco recently.

Hotchner and Will H. Girvin, court reporter for Superior Judge Franklin Swart, will divide the work of the courts between them hereafter.

**TOOK OATH MONDAY**

With a small group of attorneys, friends, interested spectators and a newspaper reporter looking on, Maxwell McNutt, prominent Burlingame and San Francisco attorney, took the oath of office of judge of the superior court of San Mateo county Monday.

County Clerk Elmore B. Hinman swore in the new judge, who succeeds Superior Judge George H. Buck, who retired Saturday from the bench over which he presided for 42 years.

Joseph Meeks, long a bailiff in Department One of the superior court, and Homer Hargrave, clerk in the same department, watched the ceremony, which was the simple recitation of the oath of office administered by the county clerk while the new judge raised his right hand.

The ceremony took place in the private office of the county clerk.

**Paw Over Papers**

Upstairs, janitors hauled the last of the books, bookcases, old furniture and fixtures which were a part of the office of Judge Buck, into the corridor, where they were sorted over to be salvaged or discarded.

Judge McNutt's private chambers and front office will be completely renovated with the walls to be finished in brighter colors than the old rose tint familiar to those who visited the offices under Judge Buck's tenure.

The new judge also has made a request for carpets to cover the time-scarred linoleum floors. Judge McNutt also has requested new furniture for the two offices, which he will supply himself, if necessary.

Janitors and others pawed through the old papers which Judge Buck left behind, finding a 50-year-old geography, and old lodge publications and newspapers containing items of interest to early settlers.

A 32-year-old Druids' magazine, published in San Francisco on June 1, 1900, shows Judge Buck seated on a carved mahogany chair as he looked when a past noble grand arch of the order.

Superior Judge Franklin Swart, who presides over Department Two, took the oath Saturday and was not present Monday.

# Freak Blast In R.C. Dairy Injures One

In a freak accident caused by the explosion of accumulated gas between walls, Mrs. L. Bolyard of the Millbrae Dairy agency, 2736 Broadway, suffered slight injuries when she snapped on the electric light switch late Tuesday. It is thought an electric spark ignited the gas.

Mrs. Bolyard's forehead was lacerated and she suffered from the shock of her experience. Three or four customers in the store were uninjured.

Much of the plaster on the inside of the wall was blown down, and some of the laths were torn loose.

The exploding gas made a loud report.

Pacific Gas and Electric Company workmen today completed repair of the faulty pipe from which the gas escaped into the wall.

# Redwood City 25 Years Ago

Cupid stalked in the hall of revelry at the Eagles' grand ball New Year's Eve, and before the hours of 1907 had passed away a couple approached County Clerk Joe Nash and asked him to procure for them a license to marry. Reluctant to leave the merriment, Nash insisted that the young pair agree to be married then and there, and Judge Hannon performed the ceremony. They gave their names as Adolph Bonton and Anna Holden, but it was believed their true names were known only by the judge and clerk.

Will the person who received the wrong hat at the Eagles' ball please return the one he took and get his own?—Advt.

M. L. Benson, principal of the grammar school, went to Santa Cruz Friday to attend the teachers' institute.

H. W. Taverner, manager of the San Mateo Abstract Company, has made many improvements in the new office of the company in the Germania hall building.

Miss Lizzie Weinke of Montara was in town Tuesday while en route to Denver, Colo., where she will spend the Christmas holidays with her parents. Upon her return she will reopen the Montara school, of which she is teacher.

Redwood City was visited Monday by a heavy thunder-storm, lightning, hail and rain. A few doorbells were rung by the electrical disturbance, but no damage resulted.

# Stanford Wrestler To Wed Fresno Girl

Casey Kazanjian, former Stanford University athlete who has turned to the professional wrestling ring for fame and fortune, is soon to sign a life contract—this time in matrimony.

News of Kazanjian's marital plans became known today with the filing of his notice of intention to wed Saten H. Yezdan, 22, of Fresno, with County Clerk Elmore B. Hinman in Redwood City.

Kazanjian, who gave his age as 27, was graduated from Stanford in 1928 after a collegiate career as weight-thrower on the track team and as a football player for a brief period. Casey lives in Los Angeles.
